It is safe to say that most people have been affected by drug and/or alcohol addiction, or know someone who has, in one form or another. Whether it was a family member, close friend, or even an acquaintance, addiction is causing pain and destroying peoples' lives. When someone is ready to get help, where do they turn to if they have nothing and no money for rehabilitation...most will turn to family...but, what if they have no one to turn to? With addiction and the need to feed that addiction many who suffer from this disease, have burned bridges and lost trust from family members. That is why we are asking you to please consider joining the fight and support Shannon J. Scholarship, Inc. in assisting those in need.

Thank you for your time and consideration. If you have any questions or would like further information, please contact Shannon J. Scholarship, Inc.

Sincerely,  
Shannon J Scholarship, Inc. Board of Directors
